

# Term Deposits available

We're pleased to offer a range of NAB Term Deposits which give investors a competitive fixed interest rate over 6 month, 1 year or 2 year terms.

## Competitive interest rate

Our new NAB Term Deposits offer investors a secure interest earning investment option.

With 6 month, 1 year or 2 year terms, investors have the flexibility to choose a timeframe that's right for them. Knowing exactly what they'll get at the end of the term also makes them an ideal option as part of a wider, diversified investment portfolio.

This new investment option for investors is available through MLC MasterKey Super & Pension Fundamentals.
