Section 1 – Target Market

An investor who satisfies the following is in the target market for the Fund:

- wants to invest with a specialist Australian fixed income manager aiming to outperform the Bloomberg AusBond Australian All Maturities Composite Bond Index;
- wants to invest in an actively managed, diversified portfolio of fixed income securities, primarily issued in Australian dollars;
- is looking to diversify a portfolio that is already weighted to growth-focused assets, such as shares and property;
- wants to generate income from their investments and is comfortable the income amount may fluctuate;
- is willing to accept some risk, including credit and interest rate risk, to grow their assets over the long term;
- is an Australian resident; and
- wants to invest either:
 - indirectly, through a 'platform product' (such as an investor-directed portfolio service or a 'wrap'-style superannuation product), or
 - directly, by application to us (provided the amount they want to invest is at least \$20,000).

Customer need/objective/financial situation	Details
Investment objective	
Capital growth Capital preservation Regular income	<p>The Fund is designed for investors who are seeking some income, some capital growth, and some preservation of capital by investing in a Fund that aims to outperform the Bloomberg AusBond Australian All Maturities Composite Bond Index over rolling three year periods, after deducting management fees. The Fund predominantly invests in a combination of:</p> <ul style="list-style-type: none"> • highly-rated longer-maturity bonds, including bonds issued by governments, to provide diversification of returns from growth assets, and • shorter-maturity corporate bonds that Antares believes will enhance the Fund's returns while managing risk.
