Section 1 – Target Market

An investor who satisfies the following is in the target market for the Fund:

- wants to invest in an actively managed portfolio of mainly small capitalisation (cap) companies listed on the Australian share market;
- wants to invest with a specialist Australian equities small cap investment manager;
- wants to diversify their Australian equity portfolio to include access to a range of small and emerging companies that show strong long-term growth potential;
- can tolerate fluctuations of income and the risk of capital loss;
- is an Australian resident; and
- wants to invest either:
 - indirectly, through a 'platform product' (such as an investor-directed portfolio service or a 'wrap'-style superannuation product); or
 - directly, by application to us (provided the amount they want to invest is at least \$20,000).
 - through "mFund", a managed fund settlement service operated by the Australian Securities Exchange.

Customer need/objective/financial situation	Details
Investment objective	
Capital growth	The Fund is designed for investors looking for capital growth by investing in a Fund that aims to earn a return (after fees) which exceeds the S&P/ASX Small Ordinaries Total Return Index, over rolling five year periods. The Fund achieves this by investing in an actively managed portfolio of mainly small cap equities listed, or expected to be listed, on the Australian share market.
Product use as a percentage of an investor's portfolio	
Satellite (<25%)	The Fund is designed for use as a satellite component of an investor's broader portfolio of investments, but not as a standalone or core investment solution.
