Section 1 – Target Market

An investor who satisfies the following is in the target market for the Fund:

- is seeking regular income from an investment in cash and fixed income securities managed by a specialist Australian fixed income manager;
- wants to preserve their capital;
- wants an actively managed, diversified portfolio of cash and fixed income securities;
- wants a specialist investment manager to generate returns and manage risk;
- wants better returns than cash
- understands there can be some fluctuations in income and in the value of their investment;
- is an Australian or New Zealand resident; and
- wants to invest either:
 - indirectly, through a 'platform product' (such as an investor-directed portfolio service or a 'wrap'-style superannuation product); or
 - directly, by application to us (provided the amount they want to invest is at least \$20,000).
 - through "mFund", a managed fund settlement service operated by the Australian Securities Exchange.

Customer need/objective/financial situation	Details
Investment objective	
Capital preservation Regular income	The Fund is designed for investors looking to generate a regular income while aiming to preserve capital and liquidity. The Fund aims to provide regular income and a return (after fees) that exceeds Bloomberg AusBond Bank Bill Index, over rolling three year periods. To achieve this, the Fund invests in an actively managed, diverse portfolio of primarily high credit quality fixed income securities and cash, in which exposure to rising interest rates is carefully managed.

Product use as a percentage of an investor's portfolio	
Standalone (75-100%) Core Component (25-75%) Satellite (<25%)	The Fund is designed for use as a standalone investment solution or as a core or satellite component of an investor's broader portfolio of investments.
Investment timeframe	
Short term Medium term	The Fund is designed for investors who are looking to make a short to medium-term investment, with at least a 1 to 3 year timeframe.
Risk and Return	
Low risk & return	The Fund is designed for investors seeking low risk (estimated as 1 negative annual return in any 20 year period), and are willing to accept lower potential returns.
Redemption frequency	
Daily	In normal circumstances, the Fund processes withdrawals each business day. For further information refer to the PDS.
Section 2 – Distribution Channels and Conditions	
Distribution Channels	Distribution Conditions
Direct (non-intermediated) retail and wholesale investor	The minimum initial investment (and the minimum balance) is \$20,000.
