4 September 2015

Dear Investor

**Capital International Global Equities Fund
Outcome of Unitholders' Meeting - 4 September 2015**

We are delighted to confirm that the resolutions to facilitate the merger of Capital International Global Equities Fund ARSN 128 860 355 ('CAGEF') with Capital International World Equity ARSN 087 778 694 ('CAWE') were approved at the CAGEF Unitholders' meeting held at 2pm today.

As outlined in the Explanatory Memorandum to the Notice of Meeting dated 11 August 2015, CAGEF will merge with CAWE on 10 September 2015. At that time your CAGEF units will be transferred to CAWE and you will be issued new CAWE units in return. A transaction statement confirming the number of CAWE units issued to you will be sent on 11 September 2015 at which time you may commence dealing in the units.

We take this opportunity to confirm that the Australian Taxation Office has issued a Class Ruling granting CAGEF investors Scrip for Scrip CGT Rollover Relief in relation to their transfer of units to CAWE, a copy of which is available at http://www.capitalinternational.com.au/fund_information/continuous_disclosures.html for your reference.

Please note that CAWE will issue a new Product Disclosure Statement on 10 September 2015, amending the management costs for the fund to 0.96% p.a. and the benchmark to be the MSCI World Index ex Aust (in A\$).

Furthermore, CAWE will be renamed on 25 September 2015 to be "Capital Group Global Equity Fund (AU)" at which time a new Product Disclosure Statement will be issued reflecting the change of name.

Please do not hesitate to contact me if you have any questions about your investments with Capital Group.

Thank you for your continued support.

Yours faithfully
