present their report together with the financial report of the Schemes for the year ended 31 May 2021 and the independent audit report thereon.

The Schemes are disclosed in the Masterkey Product Disclosure Statement and therefore they are presented together in this financial report and related notes in accordance to *Corporations Instrument 2015/839*.

Directors of the Responsible Entity

The names of the persons who were Directors of MLC Investments Limited during or since the year ended 31 May 2021 are as follows:

Name Appointment/Resignation Date

J G Duffield Resigned 31 December 2020
P Gupta Resigned 31 May 2021
M A Joiner Appointed 1 January 2021
G J Mulcahy Appointed 7 July 2014
J Selak Appointed 31 May 2021
K A Watt Appointed 5 December 2016

The registered office of MLC Investments Limited is located at Ground Floor, MLC Building, 105-153 Miller St, North Sydney NSW 2060.

Principal activities

The Schemes are unlisted registered managed investment schemes domiciled in Australia.

The Schemes invest and transact in money market securities, equities, unlisted managed investment schemes and derivatives in accordance with the provisions of the Constitutions of the Schemes. Investment activities include the use of derivatives in the Platinum Global Fund to reduce the volatility of investment returns due to currency exchange rate fluctuations.

The Schemes did not have any employees during the current and previous year.

There have been no significant changes to the activities of the Schemes during the year.

The Schemes are for-profit entities for the purposes of preparing financial statements.

Results and review of operations

The results of the operations of the Schemes are disclosed in the Statements of Profit or Loss and Other Comprehensive Income. These results are affected by the performance of the markets to which the individual Schemes have exposure.

For details in relation to the Schemes' investment exposure and strategy, information can be obtained from the investment fund profiles located on the MasterKey website at mlc.com.au or alternatively in the Product Disclosure Statements.

¢1000

Distributions

The distributions for the year ended 31 May 2021 were as follows:

| \$1000 | cents per unit |
|---------|--|
| 1,694 | 3.02 |
| 62,776 | 5.45 |
| 128,135 | 9.74 |
| 45,209 | 9.34 |
| 29,251 | 8.92 |
| 771 | 4.44 |
| 357 | 0.52 |
| 7,965 | 17.47 |
| 78,529 | 11.85 |
| 4,328 | 7.49 |
| 64,426 | 19.27 |
| | 1,694 62,776 128,135 45,209 29,251 771 357 7,965 78,529 4,328 |

Units on issue

Units on issue as at year end and movements during the year are shown in Statements of Changes in Unitholders Funds.

The total assets of the Schemes are set out in the Statements of Financial Position. The basis for valuation of the Schemes' assets is disclosed in Note 1 to the financial statements.

State of affairs

The sale of MLC Wealth from National Australia Bank Limited to IOOF Holdings Limited was completed on 31 May 2021, representing a change in the Responsible Entity's ultimate parent entity. In the opinion of the Directors, this transaction does not impact the Responsible Entity's ability to provide its fiduciary duties.

In the opinion of the Responsible Entity, there were no other significant changes in the state of affairs of the Schemes that occurred during the year unless otherwise disclosed.

Likely developments

The Schemes will continue to pursue their policy of competitive returns through a selection process that identifies investment managers in each asset class.

Further information about likely developments in the operations of the Schemes and the expected results of those operations in future financial years has not been included in this report because disclosure of the information would be likely to result in unreasonable prejudice to the Schemes.

Auditor's independence

The Directors received a declaration of independence which was issued in accordance with section 307C of the *Corporations Act 2001* from the auditor of the Schemes, a copy of which is attached to the Directors' Report on page 6.

Events subsequent to the balance date

Between the year end and the date of this report, there has not been any other item, transaction or event of a material and unusual nature that, in the opinion of the Responsible Entity, is likely to significantly affect the operations of the Schemes, the results of those operations, or the state of affairs of the Schemes in future financial years.

Interests of the Responsible Entity

Units held by MLC Investments Limited and its related parties in the Schemes during the financial year ended 31 May 2021 are detailed in Note 8(h) and Note 8(i) to the financial statements.

Fees paid to the Responsible Entity during the financial year ended 31 May 2021 are detailed in Note 8(e) to the financial statements.

Environmental regulation

The operations of the Schemes are not subject to any particular or significant environmental regulations under a Commonwealth, State or Territory law

Indemnities and insurance premiums for Officers or Auditors

Indemnification

The Schemes have not indemnified or made a relevant agreement for indemnifying against a liability for any person who is or has been an officer of the Responsible Entity or an auditor of the Schemes during the year.

Insurance premiums

The previous ultimate parent company of the Responsible Entity, National Australia Bank Limited, has paid, or agreed to pay, premiums in respect of its officers for liability, legal expenses, insurance contracts, and premiums in respect of such insurance contracts, for the financial year ended 31 May 2021. Such insurance contracts insure against certain liability (subject to specified exclusions) for persons who are or have been the officers of the Responsible Entity.

Details of the nature of the liabilities covered or the amount of the premium paid has not been included as such disclosure is prohibited under the terms of the contracts.

Rounding

The Schemes meet the criteria set out in *Corporations Instrument 2016/191* issued by the Australian Securities and Investments Commission, and in accordance with that Corporations Instrument, amounts in the financial report and the Directors' Report have been rounded off to the nearest thousand dollars unless otherwise stated.

Signed in accordance with a resolution of the Directors of MLC Investments Limited:

Auditor's Independence Declaration to the Directors of MLC Investments Limited, as Responsible Entity for MLC MasterKey Unit Trust

As lead auditor for the audit of the financial report of MLC MasterKey Unit Trust consisting of the Schemes listed below for the financial year ended 31 May 2021, I declare to the best of my knowledge and belief, there have been:

- a) no contraventions of the auditor independence requirements of the *Corporations Act 2001* in relation to the audit; and
- b) no contraventions of any applicable code of professional conduct in relation to the audit.

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The principal accounting policies applied in the preparation of these financial statements are set out below. These policies have been consistently applied to all years presented, unless otherwise stated.

The financial report of the Schemes for the financial year ended 31 May 2021 was authorised for issue in accordance with a resolution of the Directors of the Responsible Entity on 11 August 2021.

(a) Statement of compliance

The financial report complies with Australian Accounting Standards as issued by the Australian Accounting Standards Board ('AASB') and International Financial Reporting Standards ('IFRS'), as issued by the International Accounting Standards Board ('IASB').

(b) Basis of preparation

The Schemes' year end financial report is a general purpose financial report that has been prepared in accordance with Australian Accounting Standards, other authoritative pronouncements of the Australian Accounting Standards Board and the *Corporations Act 2001*. The assets and liabilities are measured on a fair value basis, except where otherwise stated.

The Statements of Financial Position are presented on a liquidity basis. Assets and liabilities are presented in decreasing order of liquidity and are designated as current assets and liabilities as they are expected to be recovered or settled within twelve months. Financial assets and liabilities at fair value through profit or loss and unitholders funds are expected to be settled upon contractual requirements.

Where necessary, comparative information has been reclassified to achieve consistency in disclosure with current financial year amounts and other disclosures

The financial statements are presented in Australian Dollars, and all values are rounded to the nearest thousand dollars except where otherwise indicated.

(c) Basis of consolidation

The Schemes are investment entities under the definition in AASB 10 Consolidated Financial Statements and, as such, do not consolidate any entities subject to their control. The Schemes do not hold a controlling interest in any of their underlying investments and therefore are not required to provide additional disclosures.

(d) Unit prices

The unit prices for the units of the Schemes are calculated as at the close of each business day.

(e) Terms and conditions on units

Each unit issued confers upon the unitholders of each Scheme an equal interest in the Scheme, and is of equal value. A unit does not confer any interest in any particular asset or investment of each Scheme. Unitholders have various rights under the Constitutions and the *Corporations Act 2001*, including the right to:

- (i) have their units redeemed;
- (ii) accumulate income, which is reflected in the unit price;
- (iii) attend and vote at meetings of unitholders; and
- (iv) participate in the termination and winding up of the Scheme.

The rights, obligations and restrictions attached to any unit of a Scheme are identical in all respects.

(f) Financial assets and liabilities at fair value through profit or loss

The Schemes have classified all of their investments as at fair value through profit or loss including derivatives which are held for risk management purposes.

Investments are valued at their fair value as at reporting date. Gains and losses arising from changes in the fair value of the financial assets and liabilities at fair value through profit or loss are included in the Statements of Profit or Loss and Other Comprehensive Income in the year in which they arise

Derivatives are recognised at fair value on the date on which a derivative contract is entered into and are subsequently re-measured at their fair value with movements taken to the Statements of Profit or Loss and Other Comprehensive Income. Fair values are obtained from quoted market prices in active markets and valuation techniques, including discounted cash flow models and options pricing models. All derivatives are carried as assets when fair value is positive and as liabilities when fair value is negative.

Financial assets and liabilities are offset and the net amount reported in the Statements of Financial Position when there is a legally enforceable right to offset the recognised amounts and there is an intention to settle on a net basis, or realise the asset and settle the liability simultaneously.

(i) Futures contracts

Futures contracts are contractual obligations to buy or sell financial instruments on a future date at a specified price established on an organised market. Futures contracts are collateralised by cash and cash equivalents or by other assets ("initial margin"). Subsequent payments, known as "variation margin", are made or received by the Schemes each day, depending on the daily fluctuations in the fair value of the underlying security. The futures contracts are marked to market daily.

(ii) Foreign Exchange Forward Contracts

The value of a foreign exchange forward contract fluctuates with changes in currency exchange rates. The forward is marked to market daily.

(iii) Options

The current fair value of an option is valued at the last sale price.

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

(g) Fair value measurement

Assets and liabilities measured at fair value in the financial statements are categorised within the fair value hierarchy based on the lowest level input that is significant to the fair value measurement in its entirety as detailed below:

- Level 1 Quoted (unadjusted) market prices in active markets for identical assets or liabilities.
- Level 2 Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable.
- Level 3 Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable.

(h) Significant accounting judgements, estimates or assumptions

The Schemes may make estimates and assumptions that affect the reported amounts of assets and liabilities in the financial statements.

Estimates and assumptions

Estimates are continually evaluated and based on historical experience, available information and other factors, including expectations of future events that are believed to be reasonable under the circumstances.

Fair value of financial assets and liabilities at fair value through profit or loss

Fair value is the price that would be received from disposing an asset or paid to transfer a liability in an orderly transaction between market participants at the transaction date.

The Schemes measure investments in financial assets and liabilities at fair value through profit or loss. Management applies judgement in selecting valuation techniques where there is no market price available for an instrument. Further details on the determination of fair values of financial instruments is set out in Note 9(g).

The Schemes have assessed the impact of credit/debit value adjustments to their derivative positions to comply with the requirements of AASB 13 Fair Value Measurement, and concluded that there are no significant adjustments to the valuation of derivatives.

Judgements

- (i) The Schemes meet the definition criteria of an investment entity under AASB 10 *Consolidated Financial Statements*, and therefore are required to measure their interests in controlled entities at fair value through profit or loss. The criteria which define an investment entity are as follows:
- (a) An entity that obtains funds from one or more investors for the purpose of providing those investors with investment services;
- (b) An entity that commits to its investors that its business purpose is to invest funds solely for returns from capital appreciation, investment income or both: and
- (c) An entity that measures and evaluates the performance of substantially all of its investments on a fair value basis.
- (ii) The Schemes have assessed whether their investments in unlisted related registered managed investment schemes should be classified as structured entities. A structured entity is an entity in which voting or similar rights are not the dominant factor in deciding control. The Schemes have considered the voting rights and other similar rights and concluded on whether these rights are the dominant factor in determining control. The Schemes have concluded that their investments in unlisted registered managed investment schemes meet the definition of structured entities as the voting rights of these unlisted registered managed investment schemes are not substantive in nature as set out in Note 8(g).

(i) Cash and cash equivalents

Cash and cash equivalents in the Statements of Financial Position comprise cash at bank, demand deposits, short term deposits at call and highly liquid investments, including investments in an unlisted cash trust, that are readily convertible at the Responsible Entity's option to known amounts of cash and which are subject to an insignificant risk of change in value.

(j) Receivables

Receivables may include amounts for dividends, interest, distributions, outstanding settlements and other income and are measured initially at fair value plus transaction costs. The impact of expected credit losses on financial assets measured at amortised cost is insignificant. Amounts are generally received within 30 days of being recorded as a receivable, hence carrying amounts disclosed approximate fair value.

(k) Payables

Payables include outstanding settlements and accrued expenses owing by the Schemes which are unpaid as at balance date. They are measured initially at fair value plus transaction costs.

(l) Foreign currency transactions

Transactions during the year denominated in foreign currency have been translated at the exchange rate prevailing at the transaction date. Overseas investments and monetary items held, together with any accrued income, are translated at the exchange rate prevailing at the year end.

Foreign currency transaction gains and losses on financial instruments classified as at fair value through profit or loss are included in the Statements of Profit or Loss and Other Comprehensive Income as part of the 'Changes in the fair value of financial assets and liabilities at fair value through profit or loss'.

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

(m) Income and expenses

Revenue is brought to account on an accrual basis except where otherwise stated.

Dividend and distribution income from listed securities and unlisted registered managed schemes are recognised on the date the shares or trust units are quoted ex dividend/distribution. Income on fixed interest securities and money market securities is recognised on an ex interest accrual basis.

Interest income on discount securities is brought to account on an effective interest rate basis and is derived from interest earned and amortised premium or discount to face value on investments.

Changes in the fair value of investments are recognised as income and are determined as the difference between the fair value at year end or consideration received (if sold during the year) and the fair value as at the prior year end or initial fair value (if the investment was acquired during the year).

Expenses are brought to account on an accrual basis.

The Responsible Entity is entitled to receive a fee, calculated in accordance with the Schemes' Constitutions, for the provision of management services to the Schemes. The Responsible Entity is entitled to be reimbursed, under the Schemes' Constitutions, for certain expenses incurred in administering the Schemes. The amount reimbursed has been calculated in accordance with the Schemes' Constitutions.

Performance fees are incurred or paid by the Schemes for their investment allocations in the Low Correlation Strategy Trust, as outlined in the Product

Other expenses also include government duties and bank interest expense. Auditors' remuneration has not been charged against the Schemes' income as this cost is borne by the Responsible Entity.

(n) Taxation

The Schemes elected to have the taxation regime (AMIT) for the taxation of managed investment schemes apply for the 2018 tax year and later years of income. The Schemes are not subject to income tax as the taxable income (including assessable realised net capital gains) is fully attributed to the unitholders each year. Unitholders are taxed on the income attributed to them.

The unit price is based upon fair values of underlying assets and thus may include a share of unrealised capital gains. Should such a gain be realised, that portion of the gain that is subject to capital gains tax will be distributed.

Net realised capital losses are not distributed to unitholders, but are retained to be offset against any future realised capital gains. Where realised assessable capital gains exceed realised capital losses, the excess will be distributed and attributed to unitholders as assessable income for taxation purposes.

(o) Distributions to unitholders

The income of the Schemes is accumulated and reinvested or paid to unitholders generally on the last calendar day of August, November, February and May, except for the Horizon 7 Accelerated Growth Portfolio, Horizon 6 Share Portfolio, Global Share Fund, and Platinum Global Fund which reinvested or paid income to unitholders on the last calendar day of May only.

Distributable income does not include unrealised gains and losses arising on movements in the fair value of investments; as such, unrealised gains and losses are transferred to unitholders funds and are not attributed to unitholders as assessable income or distributed until realised.

The Cash Fund's income distributions are based on an interest rate determined daily, and expressed as an annual rate for the distribution period.

The distributions of the remaining Schemes are expressed as cents per unit for the distribution period.

(p) Goods and services tax

Responsible Entity fees and other expenses are recognised net of the amount of goods and services tax ('GST') recoverable from the Australian Taxation Office ('ATO') as a reduced input tax credit ('RITC').

Creditors and accruals are stated with the amount of GST included.

The net amount of GST recoverable from the ATO is included in payables in the Statements of Financial Position.

(q) Derecognition of financial instruments

The derecognition of financial instruments takes place when the Schemes no longer control the contractual rights that comprise the financial instrument, which is normally the case when the instrument is sold, or all the cash flows attributable to the instrument are passed through to an independent third party.

(r) Capital management

The amount of unitholders funds can change significantly on a daily basis as the Schemes are subject to daily applications and redemptions at the discretion of unitholders.

The Responsible Entity monitors the level of daily applications and redemptions relative to the liquid assets in the Schemes.

In order to maintain or adjust the capital structure, the Responsible Entity may return capital to unitholders. The Schemes do not have any externally imposed capital requirements.

(s) Unitholders funds

The units can be put back to the Schemes at any time for cash based on the redemption price. The fair value of redeemable units is measured at the redemption amount that is payable (based on the redemption unit price) at the end of the financial year, if unitholders exercised their right to put the units back to the Schemes.

The schemes are single-class only and these units have been classified as equity.

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

(t) Application of accounting standards

New and amended standards and interpretations

Several standards and amendments, including AASB 17 *Insurance Contracts* apply to the Schemes for the first time in 2021, however do not have an impact on the financial statements of the Schemes. The Schemes have not early adopted any standards, interpretations or amendments that have been issued but are not yet effective.

NOTE 2 - DIVIDEND AND DISTRIBUTION INCOME

The Schemes receive income from their related party underlying investments in unlisted managed investment schemes, which is detailed in Note 8(h), except for Income Builder and Platinum Global Fund which is detailed in the table below:

| | IncomeBu | uilder | Platin Global l | | |
|---|----------------------------|--------|--------------------|----------------|--|
| | 2021 2020 \$'000 \$'000 | | 2021 \$'000 | 2020 \$'000 | |
| Dividend/Scheme distribution income: Listed equities and unit trusts | 51,286 | 77,775 | 9,515 | 11,388 | |
| Dividend and distribution income | 51,286 | 77,775 | 9,515 | 11,388 | |

NOTE 3 - AUDITOR'S REMUNERATION

The Schemes have regular audits on the financial reports. The Responsible Entity pays the cost of the audit fees being \$10,500 (2020: \$11,000) per Scheme for audit and review of the financial reports, and \$3,205 (2020: \$2,374) per Scheme for Compliance plan audits. The Schemes listed in the table below have an additional cost for the Specified Assertions audit of their direct investments.

NOTE 8 - RELATED PARTIES

(a) Responsible Entity

The Responsible Entity of each of the Schemes is MLC Investments Limited ABN 30 002 641 661, whose immediate holding company is MLC Wealth Limited ABN 97 071 514 264. On 31 May 2021, the sale of MLC Wealth from National Australia Bank Limited to IOOF Holdings Ltd was completed, representing a change in the Responsible Entity's ultimate parent entity.

The Responsible Entity is incorporated and domiciled in Australia.

(b) Key management personnel

Directors

The names of the persons who were Directors of MLC Investments Limited at any time during the financial year were as follows:

NameAppointment / Resignation DateJ G DuffieldResigned 31 December 2020P GuptaResigned 31 May 2021M A JoinerAppointed 1 January 2021G J MulcahyAppointed 7 July 2014J SelakAppointed 31 May 2021K A WattAppointed 5 December 2016

In addition to the Directors noted above, the Responsible Entity provides key management personnel services to the Schemes.

Key management personnel are paid by a related party of the Responsible Entity. Payments made from the Schemes to the Responsible Entity do not include any amounts directly attributable to key management personnel remuneration.

(c) Other related party transactions with the Schemes

From time to time the Directors of MLC Investments Limited, or their related entities, may invest into or withdraw from the Schemes. These investments or withdrawals are on the same terms and conditions as those entered into by other Scheme investors.

(d) Amounts payable to/(receivable from) the Responsible Entity

The net amount of payables/(receivables) to MLC Investments Limited by the Schemes at balance date are shown in the table below:

| | 2021 | 2020 |
|---|-----------|-----------|
| | \$ | \$ |
| Horizon 2 Income Portfolio | 54,001 | 67,534 |
| Horizon 3 Conservative Growth Portfolio | 1,084,401 | 1,314,305 |

| Platinum Global Fund | 1,091,933 | 1,181,038 |
| Cash Fund | 48,403 | 77,669 |

(e) Responsible Entity's fees

The Responsible Entity's fees have been calculated in accordance with the Schemes' Constitutions. Total fees paid/payable (net of rebates where applicable) are as follows:

| | 2021 | 2020 |
|---|------------|------------|
| | \$ | \$ |
| Horizon 2 Income Portfolio | 819,374 | 1,026,779 |
| Horizon 3 Conservative Growth Portfolio | 15,883,784 | 18,242,757 |
| Horizon 4 Balanced Portfolio | 26,841,517 | 29,696,419 |
| Horizon 5 Growth Portfolio | 9,117,664 | 10,057,297 |
| Horizon 6 Share Portfolio | 4,700,620 | 5,038,593 |

| IncomeBuilder | 24,136,361 | 34,766,698 |
| Share Index Fund | 1,255,222 | 1,724,221 |
| Global Share Fund | 589,227 | 705,068 |
| Platinum Global Fund | 13,727,879 | 17,161,603 |
| Cash Fund | 892,606 | 990,018 |

(f) Expense reimbursement

The Responsible Entity is entitled, under the Schemes' Constitutions, to be reimbursed for certain expenses incurred in administering the Schemes. The basis on which the expenses are reimbursable is defined in the Constitutions. There were no expense reimbursements during the year (2020: Nil).

(g) Interests in unconsolidated structured entities

The Schemes' maximum exposure to loss from their investments in unlisted managed investment schemes, which have been assessed to be structured entities, is restricted to their fair value which are disclosed in Note 8(h). The Schemes have not sponsored or provided support, financial or otherwise to the unlisted managed investment schemes they hold.

(h) Related party investments

The Schemes may purchase and sell units in other unlisted managed investment schemes managed by MLC Investments Limited or its related parties in the ordinary course of business at application and redemption prices calculated in accordance with the Constitutions.

Details of units in other managed investment schemes operated by the Responsible Entity held by the Schemes are set out in the following tables.

The principal activities of all the below named Schemes are to invest and transact in money market securities, listed equities, fixed interest securities, unlisted managed investment schemes, unlisted property trusts, debt instruments and derivatives in accordance with the provisions of the Schemes' Constitutions. Investment activities may include the use of derivatives to reduce the volatility of investment returns.

The Schemes are unlisted registered managed investment schemes and along with their related parties are domiciled in Australia.

NOTE 9 - FINANCIAL RISK MANAGEMENT

(a) Financial risk management objectives, policies and processes

The Schemes' activities expose them to a variety of financial risks: credit risk, market risk (including currency risk, interest rate risk, equity price risk), liquidity and cash flow risk. The Schemes' overall risk management programme is aligned to the investment strategy of each Scheme as detailed in their Constitution and Product Disclosure Statement. It focuses on the unpredictability of financial markets and seeks to minimise potential adverse effects on the Schemes' financial performance. The Responsible Entity monitors the risk management framework, which is performed internally and reported on a quarterly basis. Certain Schemes may use derivative financial instruments to moderate certain risk exposures.

(b) Credit risk

The Schemes take on exposure to credit risk, which is the risk that a counterparty will be unable to pay amounts in full when due.

There were no Schemes with significant concentrations of exposure to counterparties as at 31 May 2021.

All transactions in listed securities are settled/paid for upon delivery using approved brokers. The risk of default is considered minimal, as delivery of securities sold is only made once the broker has received payment. Payment is made on a purchase once the securities have been received by the broker. The trade will fail if either party fails to meet its obligations.

The Schemes restrict their exposure to credit losses on trading derivative instruments by entering into master netting arrangements with counterparties (approved brokers). The credit risk associated with contracts is reduced by a master netting arrangement to the extent that if an event of default occurs, there is the opportunity to settle outstanding amounts on a net basis.

The Schemes minimise their exposure to credit risk on cash equivalents by only holding instruments with top-tier financial institutions. The carrying amounts of financial assets best represent the maximum credit risk exposures at the year end date. The tables below show the credit quality by class of asset for debt instruments.

(c) Financial assets and liabilities at fair value through profit or loss

Financial assets and financial liabilities for the Platinum Global Fund are presented on a gross basis in the Statements of Financial Position as there is not an enforceable legal right to offset the recognised amounts. In the normal course of business, the Scheme also enters into various master netting agreements or other similar arrangements that do not meet the criteria for offsetting in the Statement of Financial Position but still allow for the related amounts to be set off in certain circumstances, such as default on contracts.

(d) Market risk

(i) Currency risk

Currency risk is the risk that the fair value of future cash flows of the financial instrument will fluctuate due to changes in foreign exchange rates.

The Schemes are exposed to foreign currency risk as a result of investments in financial instruments denominated in foreign currencies. Certain Schemes may enter into foreign currency contracts designed to either hedge some or all of this exposure, or alternatively increase exposure to preferred foreign currencies.

The foreign currency sensitivities set out below are illustrative only and are based on simplified scenarios. The figures represent the effect of the pro forma movements in foreign exchange rates and the Fund's current foreign exchange risk profile.

The following table summarises the Platinum Global Fund's direct exposure to foreign currency risk on their monetary assets and liabilities net of any applied foreign currency economic hedges at 31 May 2021. The analysis calculates the effect on the Statements of Profit or Loss and Other Comprehensive Income of the reasonably possible change in currency rate against the Australian dollar with all other variables held constant.

| Total | | | 73,355 | (73,355) | • | | 59,484 | (59,484) | |

^{*} Composed of monetary items denominated in various different currencies, the fair value of which do not individually exceed 2% of the unitholders funds at 31 May 2021 and 31 May 2020.

(ii) Interest rate risk

Interest rate risk arises from the possibility that changes in interest rates will affect future cash flows or the fair value of financial instruments.

The Schemes' interest-bearing financial assets and liabilities expose it to risks associated with the effects of fluctuations in the prevailing levels of market interest rates on their financial position and cash flows.

The Schemes are exposed to varying levels of interest rate risk as a result of differences in their investment strategies. The risk focused investment process actively assesses the level of interest rate risk and seeks to manage the interest rate exposure accordingly.

The changes in interest rates as disclosed in this note are based on assumed fluctuations in interest rates on floating rate financial assets. These represent what is considered to be a reasonably possible change rather than extreme fluctuations that may occur from time to time. As such, actual future market movement may differ.

(d) Market risk (continued)

(ii) Interest rate risk (continued)

The following tables demonstrate the sensitivity of the Schemes' financial assets at fair value through profit or loss contained in the Statements of Financial Position to a reasonably possible change in interest rates on discount securities.

(iii) Equity and other price risk

Equity and other price risk is the risk that the fair value of equities and unit prices decrease as a result of changes in market prices, whether those changes are caused by factors specific to the individual stock or factors affecting all instruments in the market.

To mitigate the impact of equity and other price risk, the investment process ensures there is diversification of equity exposures within the Schemes.

Changes in price as disclosed in this note set out below are illustrative only and are based on simplified scenarios. These represent what is considered to be a reasonably possible change rather than extreme fluctuations that may occur from time to time. As such, actual future market movement may differ.

The effect on the Statements of Profit or Loss and Other Comprehensive Income due to reasonably possible changes in market factors, as represented by the equity indices, with all other variables held constant are indicated in the following tables:

(e) Liquidity and cash flow risk

The Schemes are exposed to daily cash redemptions of redeemable units. Therefore, they invest the majority of their assets either in unlisted schemes with daily redemptions, or in investments that are readily disposed of in an active market, which under normal market conditions are readily convertible to cash.

Unitholders funds are repayable on demand, subject to redemption freeze provisions. In addition the Schemes' policy is to maintain sufficient cash and cash equivalents to meet normal operating requirements and expected redemption requests.

In accordance with the Schemes' policies, the Schemes' liquidity position is monitored on a daily basis, and the Responsible Entity reviews this on a quarterly basis

The Schemes' liabilities are expected to be settled within less than one month, except for amounts owing to the Responsible Entity which are expected to be settled within one to three months.

(f) Derivatives

The Schemes' derivative financial instruments are susceptible to market price risk arising from uncertainties about future prices of the instruments. As at 31 May 2021, the overall direct market exposures were as follows:

| Platinum Global Fund | 31 May Contract | 2021 | 31 May Contract | y 2020 |
|--------------------------------------|--------------------|------------|--------------------|------------|
| | amount | Fair value | amount | Fair value |
| | \$'000 | \$'000 | \$'000 | \$'000 |
| Derivative instruments: | | | | |
| - Futures contracts | (7,039) | (391) | (11,878) | (1,889) |
| - Foreign exchange forward contracts | 597 | 597 | 5,911 | 5,911 |
| - Options | 5,260 | 5,260 | 5,394 | 5,392 |
| | (1,182) | 5,466 | (573) | 9,414 |

(g) Fair value of financial instruments

The Schemes' financial assets and liabilities are measured at fair value at the end of each reporting period. The following table details how the fair values of these financial assets and financial liabilities are determined in particular, other than Level 1, the use of observable and unobservable inputs are applied.

| Financial assets / | Fair Value | Valuation Techniques |
|--------------------------------|------------|--|
| (liabilities) | Hierarchy | valuation rechniques |
| Foreign exchange forward | | |
| contracts | 2 | Valued based on observable market data (i.e broker quoted prices). |
| Interest bearing securities | 2 | Valued by sourcing appropriate yield curves based on credit rating, security type and term to maturity. |
| Money market securities | 2 | Valued by sourcing appropriate yield curves based on credit rating, security type and term to maturity. |
| | | Valued from independent valuations based on observable market data provided by pricing vendors, using |
| Options | 2 | option pricing models. |
| Unlisted related party managed | | |
| investment schemes | 2 | Valued at redemption price as established by the Responsible Entity of the underlying trust. |
| Listed equity securities | | |
| (equity linked notes) | 2 | Valued by sourcing appropriate yield curves based on credit rating, security type and term to maturity. |
| Unlisted equities | | Valued based on last available price at the date of delisting or based on selling price determined by fund |
| (suspended/stale priced) | 3 | manager |

All Schemes, except listed separately below, invest only in unlisted managed investment schemes which are classified as level 2 which ultimately invest on level 1 securities, and there have been no transfers between levels during the year.

IncomeBuilder

Level 2 for the year ended 31 May 2021 and 31 May 2020 contain interest bearing securities in Ping An Insurance where the inputs to derive the prices are observable from their underlying securities.

These investments are assessed for sensitivity to their unobservable inputs, and as the market value for these investments are not significant to the Scheme, no sensitivity analysis has been stated in the notes to the financial report.

| Distributions to unitholders | | |
| reinvested | 13,982 | 19,444 |
| | 13,982 | 19.444 |

NOTE 11 - EVENTS OCCURRING AFTER THE BALANCE DATE

There has not arisen in the interval between the year end and the date of this report any other item, transaction or event of a material and unusual nature likely, in the opinion of the Responsible Entity, to significantly affect the operations of the Schemes, the results of those operations, or the state of affairs of the Schemes, in future financial years.

NOTE 12 - COMMITMENTS AND CONTINGENT LIABILITIES

The Schemes had no known commitments or contingent liabilities as at 31 May 2021 and 31 May 2020.

Directors' Declaration

In the opinion of the Directors of MLC Investments Limited, the Responsible Entity of the Schemes:

The financial statements and notes set out on pages 7 to 44, are in accordance with the Corporations Act 2001, including:

- (a) giving a true and fair view of the financial positions of the Schemes as at 31 May 2021 and of their performance for the year ended on that date;
- (b) complying with Australian Accounting Standards and Corporations Regulations 2001;
- (c) there are reasonable grounds to believe that the Schemes will be able to pay their debts as and when they become due and payable; and
- (d) the financial statements and notes also comply with International Financial Reporting Standards as disclosed in Note 1(a).

This declaration is made in accordance with a resolution of the Directors.

Opinion

We have audited the financial report of MLC MasterKey Unit Trust consisting of the schemes listed above (the 'Schemes'), which comprises the statements of financial position as at 31 May 2021, the statements of profit or loss and other comprehensive income, statements of changes in unitholders funds and statements of cash flows for the year then ended, notes to the financial statements, including a summary of significant accounting policies, and the directors' declaration.

In our opinion, the accompanying financial report of the Schemes is in accordance with the *Corporations Act 2001*, including:

- a) giving a true and fair view of the Schemes' financial position as at 31 May 2021 and of its financial performance for the year ended on that date; and
- b) complying with Australian Accounting Standards and the Corporations Regulations 2001.

Basis for Opinion

We conducted our audit in accordance with Australian Auditing Standards. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Report* section of our report. We are independent of the Schemes in accordance with the auditor independence requirements of the *Corporations Act 2001* and the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110 *Code of Ethics for Professional Accountants (including Independence Standards)* (the Code) that are relevant to our audit of the financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Information Other than the Financial Report and Auditor's Report Thereon

The directors are responsible for the other information. The other information is the directors' report accompanying the financial report.

Our opinion on the financial report does not cover the other information and accordingly we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial report, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial report or our knowledge obtained in the audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of the Directors for the Financial Report

The directors of the Schemes are responsible for the preparation of the financial report that gives a true and fair view in accordance with Australian Accounting Standards and the *Corporations Act 2001* and for such internal control as the directors determine is necessary to enable the preparation of the financial report that gives a true and fair view and is free from material misstatement, whether due to fraud or error.

In preparing the financial report, the directors are responsible for assessing the Schemes' ability to continue as a going concern, disclosing, as applicable, matters relating to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the Schemes or to cease operations, or have no realistic alternative but to do so.

Auditor's Responsibilities for the Audit of the Financial Report

Our objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this financial report.

As part of an audit in accordance with the Australian Auditing Standards, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

• Identify and assess the risks of material misstatement of the financial report, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the directors.
- Conclude on the appropriateness of the directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial report or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial report, including the disclosures, and whether the financial report represents the underlying transactions and events in a manner that achieves fair presentation.

We communicate with the directors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
