

4 June 2018

Dear Investor

**Termination of the Pre Select Australian Equity Fund (ARSN 104 411 789)  
(including the Access Pre Select Australian Equity Fund)**

As an investor in the Pre Select Australian Equity Fund (including the Access Pre Select Australian Equity Fund) (the Fund), I'm writing to let you know that after careful consideration Navigator Australia Limited AFSL 236466 (Navigator), as responsible entity of the Fund, has decided to terminate the Fund effective 4 September 2018.

**Why is the Fund terminating?**

Navigator has received notification from the Fund's largest investor of its intention to withdraw its investment in the Fund. This would make the Fund no longer viable and as a result, Navigator has determined it is in the best interests of investors to wind up the Fund.

**What happens now**

From 4 June 2018, Navigator won't be accepting requests for applications of units or switches into the Fund. During the three months between now and termination on 4 September 2018 the Fund may make distributions of income as part of the termination process and you can continue to make redemptions from the Fund between now and 4 September 2018.

From 4 September 2018 we'll begin realising the Fund's investments. This involves the sale of the Fund's assets in order to return the net proceeds and distribute any remaining income to investors based on the number of units they hold. Navigator will not be applying any management fees from 4 September 2018.

We expect to complete this process by the end of September 2018. Your share of the net proceeds will be paid into the bank account you have nominated. If you would like to invest these proceeds into one of our other funds please contact us.

**What you need to do**

You don't need to take any action at this time. Following termination of the Fund and after the end of the 2018 financial year, you'll receive a tax statement for your investment in the Fund.

**More information**

If you have any questions, please contact us on 1300 738 355, Monday to Friday, between 9am and 5:30pm (AEST).

We regret having to make this decision but trust you will understand the rationale for the termination. We appreciate your business and look forward to an ongoing relationship with you. We apologise for any inconvenience caused.

Yours sincerely
