13 December 2019

Dear Investor

### **Capital Group New Perspective Fund (AU) (the 'Fund') - Notice of New Product Disclosure Statement**

We would like to inform you that the Fund's secondary investment objective of "future income" will be removed effective 13 December 2019. *This update is being made for purposes of clarity; there are no changes to the portfolio management team or how the Fund is managed, and no action is required on your part as a result of this notice.*

Income is considered when analysts research and recommend companies for investment, and some portfolio managers may have an approach favoring companies that provide a regular stream of income. However, recognizing that the returns are primarily driven by growth of capital, we are removing references to "future income" as the secondary objective for this Fund. This update to the objective does not alter the current investment process; rather, we believe "long-term growth of capital" is a clearer articulation of the strategy being offered.

To view this Fund's updated Product Disclosure Statement, please visit our Capital Group website at [capitalgroup.com/au](http://capitalgroup.com/au) in the Fund Centre under the Literature tab of the relevant fund. Alternatively, you may contact us on (02) 8038 0808 and we will send a copy by mail.

Please do not hesitate to contact us if you have any questions about your investments with Capital Group.

Thank you for your continued support.

Yours faithfully
