Dear Unitholder,

Re: BlackRock Scientific Australian Equity Fund (BAR0814AU)

Please note that this is for your information only and no action is required from you.

BlackRock Investment Management (Australia) Limited wishes to inform you of enhancements we will be making to the BlackRock Scientific Australian Equity Fund (the “Fund”). These changes will take place on or after 31 March 2019 and include:

- The reduction of the management fee to 0.45% p.a. (from the current fee of 0.79% p.a.), and
- The exclusion of tobacco, controversial and nuclear weapons stocks from the investment universe.

The exclusions are being made in response to client feedback, with regard to Environment, Social and Governance (ESG) matters. At the time of writing, there were no tobacco, controversial or nuclear weapons stocks in the investment universe. Based on this, we believe the impact on the Fund's risk/return profile will be minimal.

All other aspects of the Fund, including its investment objective and benchmark, are unchanged.

To coincide with these changes, the Fund will be re-branded the ‘**BlackRock Advantage Australian Equity Fund**’ - which is in line with BlackRock's global naming conventions.

If you have any questions regarding the above changes, please contact the BlackRock Client Services Centre on 1300 366 100. An updated Product Disclosure Statement for the Fund will be made once the enhancements take effect on or after 31 March 2019.

Yours sincerely

Jason Collins
