

## Change to Fund names

Following a recent operational review of our Funds, we as responsible entity of the Funds listed in the table below, are updating the name of the Funds as outlined in the table below. There have been no changes to the Funds' investment strategies or how the Funds are managed.

These changes will be effective and reflected in the new Product Disclosure Statements (PDS) to be issued on or around 30 September 2017. You will also see these new names in your statements such as the quarterly periodic statements and tax statements.

## Changes to PDS URLs

In light of the Fund name changes, the URL for each Fund's PDS will change as follows. These URL changes will be effective 3 October 2017. We will have a redirect in place up to 31 December 2017 to ensure there is adequate time for you to update the URL.
