## Important update on how to receive ad hoc communications under the Corporations Act

### Receiving ad hoc communications

MLC Investments Limited, as the Responsible Entity for MLC MasterKey Unit Trust, may, from time to time, be required or permitted under the Corporations Act 2001 (Cth) ('Act') to send important notices to unitholders in relation to the MLC MasterKey Unit Trusts.

The notices are all 'covered documents' under section 110C of the Act, including notices in respect of unitholder meetings and notices proposing to wind up a fund (Notices).

As a unitholder, you can choose to receive Notices either by post or by email, if and when they're required to be sent.

If you don't make a choice, we'll default to your preference for receiving your Annual statements. For example, if you've chosen to receive your Annual statements via email, we'll send you any Notices via email unless you tell us you'd prefer to receive them in a different way.

### How to change your mail preference

To update your preferred method to receive Notices, please call or email us. You'll find our contact details in the *We're here to help* section below.
