MACQUARIE

Dear Investor

**Macquarie Australian Equities Fund (ARSN 102 261 405) (Fund) - Change to the buy/sell spread**

Macquarie Investment Management Australia Limited (ABN 55 092 552 611, AFSL 238321) (**Macquarie**), as the responsible entity of the Fund, wishes to inform you that the buy/sell spread for the Fund have changed with effect from 21 August 2023 (**Effective Date**), as noted in the table below.

The buy/sell spread seeks to ensure that the estimated transaction costs associated with an issue or redemption of units are borne by the investor who is applying for or redeeming the units and not by others in the Fund. When units are acquired, a buy spread is added to the value of a unit and when units are redeemed, a sell spread is subtracted from the value of a unit.

	Prior to Effective Date		From Effective Date	
APIR code	Buy spread <sup>1</sup>	Sell spread <sup>2</sup>	Buy spread <sup>1</sup>	Sell spread <sup>2</sup>
MAQ0278AU	0.20%	0.20%	0.13%	0.13%

<sup>1</sup> The buy spread is added to the net asset value unit price on application.

<sup>2</sup> The sell spread is subtracted from the net asset value unit price on redemption.

The buy/sell spread charged to investors offsets some or all of the transaction costs incurred by the Fund which include costs incurred as part of the ordinary trading activities of the Fund rather than a particular application or redemption. We may vary the buy/sell spread from time to time, including by material amounts. We will not provide prior notice of a change to the buy/sell spread.

Please check [macquarie.com.au/daily\\_spreads](https://www.macquarie.com.au/daily_spreads) for the latest buy/sell spread prior to applying for, or redeeming, units in the Fund.

**Do I need to do anything?**

You do not need to take any action as a result of the buy/sell spread change.
