

MLC WHOLESALE HEDGED GLOBAL SHARE FUND

ARSN: 124 946 998 APIR code: MLC0787AU

Update effective: 8 August 2019

This updates the information in the MLC Wholesale Hedged Global Share Fund Product Disclosure Statement (PDS) and MLC Investment Trust Product Guide (Product Guide) dated 1 October 2018.

Termination of the MLC Wholesale Hedged Global Share Fund

After careful consideration, MLC Investments Limited (ABN 30 002 641 661, AFSL 230705) (MLC), as the Responsible Entity of the MLC Wholesale Hedged Global Share Fund (Fund), has determined that it is in the best interests of investors to terminate the Fund effective 8 August 2019 (Termination Date).

The relatively small size of the Fund will result in escalating costs associated with managing and administering the Fund. As a result, MLC has made the decision to terminate the Fund, rather than significantly increase the management fees paid by investors in the Fund.

Effective from the Termination Date, the Fund will be closed to all applications and redemptions. Instructions received before the cut off time of 3:00pm (Sydney time) on 8 August 2019 will be accepted and processed as instructed.

Management fees will not be charged from the Termination Date.

The assets of the Fund will now be sold in an orderly manner to return the net proceeds and distribute any income to investors based on the number of units an investor held as at the Termination Date.
