1 March 2021

Dear Investor

Capital Group New Perspective Fund (AU) (the 'Fund') - Notice of New Product Disclosure Statement ("PDS")

We would like to inform you that the Fund's benchmark will be updated effective 1 March 2021 to remove the reference to "ex Australia":

- Previous benchmark: MSCI All Country World Index ex-Australia, net dividend reinvested (in AUD)
- New benchmark: MSCI All Country World Index with net dividends reinvested (in AUD)

The new benchmark is more closely aligned to the way the Fund is managed, i.e. the Fund does have the ability to invest in Australian securities. We confirm that there are no changes to the Fund's investment management team or how the Fund is managed.

We would like to inform you that we have further updated the PDS for the Fund to reflect that the Fund's secondary investment objective of "future income" will be removed effective 1 March 2021. This update has been in effect since 13 December 2019, as disclosed to Unit Holders on that day, and reflected in the PDS issued on that day, however, the subsequent PDS issued on 23 October 2020 inadvertently reinstated the secondary objective.

No action is required on your part as a result of this notice.

To view the updated Product Disclosure Statement for the Fund, please visit our Capital Group website at capitalgroup.com/au in the Fund Centre under the Resources tab of the relevant fund. Alternatively, you may contact us on (02) 8038 0808 and we will send a copy by mail.

Please do not hesitate to contact us if you have any questions about your investments with Capital Group.

Thank you for your continued support.

Yours faithfully
