

Why choose MLC Super?

At MLC, we've been looking after the retirement and investment needs for generations of Australians and are one of Australia's largest super funds. Our MLC MasterKey Super Fundamentals product is designed to help you achieve your retirement goals by offering:

- A choice of sophisticated investment options;
- Insurance options to give you peace of mind;
- Super you can keep for your working life; and
- Solutions to help you transition to retirement and beyond.

You can keep track of your super balance and transactions with the MLC app, or login to view your statements, consolidate your other super to MLC in minutes, top-up your super balance and update your details. And, while online, you can take advantage of discounts, lifestyle offers and much more through our Member Benefits program.

Plus, you can stay informed with news and insights and attend regular educational seminars on our website. And, if you need help to understand your super, you can try using our range of online tools and calculators, or we're just a phone call away.

MLC MasterKey Super Fundamentals is the easy to manage super account to help you enjoy your retirement.
