Amount and frequency of Adviser Service Fee

The account from which the Adviser Service Fee(s) will be deducted is specified in section 2. The amount(s) and frequency of the Adviser Service Fee(s) deductions are specified below and will depend on the Adviser Service Fee arrangement selected. The Adviser Service Fee is inclusive of GST (where applicable).

The Adviser Service Fees (as applicable) specified in this form will be deducted as follows:

- if you selected a One off Adviser Service Fee in section 4, the fee will be deducted as a single amount from your account.
- if you selected Fixed Term Adviser Service Fees in section 5, an annualised fee will be deducted from your account in monthly instalments over the fixed term period selected (up to a maximum of 12 months). Each monthly instalment will generally be deducted on the same day each month. The final monthly instalment relating to the Fixed Term Adviser Service Fees, may be deducted after the expiry of the fixed term.

We will not begin to deduct the Adviser Service Fee(s) selected in this form until the date the form is processed. Fees will not be backdated to a monthly instalment date that is before the date the form is processed.

If you hold investments in both MLC MasterKey Super Fundamentals and MLC MasterKey Pension Fundamentals under a single account, the Adviser Service Fee will be deducted from your MLC MasterKey Super Fundamentals balance first, and then any remaining amount from your MLC MasterKey Pension Fundamentals balance.

4. One off Adviser Service Fee

For a One off Adviser Service Fee, please tick the box and write the payment amount in the box below.

5. Fixed Term Adviser Service Fee (up to 12 months)

Fixed term arrangements cover a maximum period of 12 months. The start date specified can be up to 90 days from the date you sign this form. The start date cannot be earlier than the date you have signed this form. If the start date supplied is in the past, the start date will default to the date the form is processed and the Fixed Term period will commence from that date. Alternatively, you can choose to start the Fixed Term arrangement when this form is processed.

Note: If you're an MLC MasterKey Business Super member and want to pay an Adviser Service Fee(s) to a financial adviser other than the plan adviser, only One off Adviser Service Fees are available (shown in section 4).

Select a start date option and then select your Fixed Term period.

Select start date

Specify the start date: [DD/MM/YYYY]

If future dated, this start date must not be more than 90 days from the date you sign this form.

OR

Elect that the Fixed Term start date be the date that this form is processed by us.

Select Fixed Term period

The Fixed Term period (in months) must be a whole number between 1 and 12.

You elect this fixed term to be for a period of months from the start date option selected above (or the processed date if the start date provided is in the past).

If the required selections are not made, we cannot process the request to add/replace a Fixed Term Adviser Service Fee.

Next, please tick the box next to the fee you want to apply during the fixed term and fill in the requested details. Only one of either the *percentage based fee* or *tiered percentage based fee* can be selected. MLC MasterKey Unit Trust and MLC MasterKey Investment Service can only have one of either a percentage based fee or dollar based fee. Note: the amount of a dollar based fee will need to be stated as an annualised amount, even when the duration of the fixed term is less than 12 months.

If you select a percentage based Adviser Service Fee and/or a dollar based fee for a fixed term period of less than 12 months, your adviser must provide an estimate of that fee in dollars.
