

Making sure you're still protected

If you've just left employment you can still keep your insurance.

Once your employer tells us you're no longer their employee, we'll automatically transfer your MLC MasterKey Business Super account to MLC MasterKey Personal Super where any insurance will continue.

Or you can apply for your insurance to be continued through our award-winning personal insurance products.

Not only does this mean you and your family's lifestyle will be protected but it's easy to do because you will not need to provide any health information to qualify.

And the best news is you'll have the security of knowing you're protected for the long term with Australia's no. 1 personal insurer¹.

How does it work?

A Continuation Option allows you to continue your insurance with MLC Limited, using the personal insurance products: MLC Insurance or MLC Insurance (Super). And because MLC Limited has insured you before through your previous employer's Plan, you will not need to provide any health information to qualify.

Are you eligible?

If you're employed, under age 60 and a permanent resident of Australia you may be eligible. For more information please read the **MLC MasterKey Business Super Continuation Option** form and speak with your financial adviser.
