9. Your agreement and declaration

I agree that:

- if my completed request is received before 3.00 pm AEST/AEDT, it will usually be processed using the unit price for that business day (which is calculated at the end of the day)
- if my completed request is received after 3.00 pm AEST/AEDT, it will usually be treated as having been received the next business day
- if I have invested into an illiquid investment option, or an investment option I have has become illiquid, MLC may take longer than 30 days to transfer out of the investment option, and
- if my policy has an insurance component any withdrawal may affect the value of my policy and/or current insurance cover.

There are times when we might not be able to process your rollover instructions, for example when:

- there are liquidity issues in the investment
- the fund manager suspends transactions
- we can't obtain a price
- the instruction is incomplete, and
- unforeseen circumstances prevent us from using our administration systems.

Before requesting this rollover, I have considered the information in the relevant **Product Disclosure Statement** and/or **Annual Report** about the investment options I have selected. I have also reviewed the information on the management of my account in the **How to Guide** or **Product Disclosure Statement**. These documents are available on mlc.com.au or by contacting us.

Withdrawal requests that reduce the minimum of my other investment option(s) below 10% of my account balance may not be processed.
